

# Download 1989 Toyota V6 Vacuum Diagram

I've witnessed the diaphragm getting sucked into the vacuum hose, and of course no longer controlling the fuel flow which is going to be the default pressure~ depends on your model but will leave you starved of gas and suffering from performance issues...put a vacuum tester on the FPR to see if the diaphragm moves...most likely you've got the defective fuel pressure regulator....vacuum hose ...Fuel injection, 2.9 V6 - I have an '88 Bronco that sat for several years. I recently drained and cleaned the fuel tank, put in new fuel and injector cleane...Acura Integra Silicone Vacuum Hose Kit 1986-1989. With over 33 feet of silicone hose this is the kit first generation Integra owners have been waiting for. This kit replaces every vacuum hose under the hood, and various small diameter coolant hoses.Find used Toyota Avanza spares online, from scrap yards and dealers in South Africa. 1 part request will contact multiple suppliers around the nation!
