Although recently embattled by financial difficulties, General Motors has still managed to build and maintain a reputation through the years for creating good quality vehicles at affordable prices, and has been behind several of the more popular automobiles available worldwide. The Chevrolet S-10 is a compact pickup truck that was produced by Chevrolet. It was the first domestically built compact pickup of the big three American automakers. When it was first introduced as a "quarter-ton pickup" in 1981 for the 1982 model year, the GMC version was known as the S-15 and later renamed the GMC Sonoma. A high-performance version was released in 1991 and given the name of ...
