The Ford F-Series Super Duty (often shortened to Ford Super Duty) is a series of trucks manufactured by Ford Motor Company. Introduced in 1998 for the 1999 model year, the F-Series Super Duty trucks marked the addition of a heavy-duty pickup to the Ford F-Series range with the new versions of the F-250 and F-350 pickups, while the previous 1987–1997 F-Super Duty chassis cabs were replaced by ...The Ford Expedition is a Full-size SUV manufactured by Ford. Introduced for the 1997 model year as the successor of the Ford Bronco, the Expedition was the first full-size Ford SUV sold with a four-door body. For its entire production life, the Ford Expedition has been derived from the corresponding generation of the Ford F-150 in production, sharing some body and mechanical components. So there's been talk for a while now of the current Triton getting a face-lift. I just came across this article: Tokyo - Mitsubishi's Triton one-tonner looks to be getting a significant update and this teaser image is our first look at the revised bakkie ahead of its global reveal on November 9. Although Mitsubishi is calling it a new generation, the shape appears familiar and it is likely ...give me some more info --what happens when you use the remote to open or close it , does anything happen , any noise, a chime goes off, a horn goes off,-does the lift gate open manually, if it does do you have to help it up and down,- what happens when you use the button inside the car, there is one on the dash and one on the left rear inside the car-when you lock that car up does it make a ...
