The Porsche 991 7-speed manual transmission may come as “standard”, but there is nothing standard about it. While the optional Porsche Doppelkupplung (PDK) transmission gets a lot of love from enthusiasts and the automotive press, the 7-speed manual transmission is a revolutionary addition to a long history of exceptional standard transmissions. The 7-speed manual transmission combines a high level of sporty performance with fast gear changes. In conjunction with the optional Sport Chrono Package, selecting SPORT or SPORT PLUS mode activates the dynamic throttle-blip function, which ensures the optimum engine speed for every downshift, a more emotional driving experience and an ...
