As defined in the Civil Service Reform Plan, we will focus on two aspects of talent management: 1. For the Civil Service High Potential Stream (CSHPS), we will identify and develop high-potential employees on the top row of the 9 box grid of potential and performance (please see Annex A for the 9 box grid definitions and interventions) who have the tools will provide a consistent and good practice approach across the Civil Service. The nine-box talent grid, which is referenced later in the toolkit, is a useful tool to help identify talent by assessing (current) performance and (future) potential. Whilst not mandatory for grades below Grade 7, the grid can be a helpful resource for all ...9-Box Grid is indeed a good tool only if the data on which the potential and performance ratings arrived at are authentic and reasonably scientific and not used by a bunch of people playing 'God' in a closed room to plot employees based on 'likes and dislikes' or 'sly whispers' Sunday, March 15, 2015 at 2:30:00 AM EDT Boost the nine-box talent grid. ...
