Aion's Gladiator class is more than just damage or defense. Being a hybrid isn't easy though and this class has more than a few tricks of the trade that players will need to know.The Gladiator is the close range, AoE damage dealing class of Aion as it has more AoE skills than any other class. As the Gladiator is a hybrid tank/dps class they have many different types of weapons to choose from.The real test is on bosses. I'm also going to try to play gladiator as more of a dps class rather than a tank class. I will still taunt, but instead of staying in the defense stance, I'll use the offense stance and focus less on tanking up (good thing I took off my defense stigmas) and hold agro with damage. I hope this goes well.I just got this game today to play mainly PvE (maybe PvP later on) with some friends and I was the designated "tank" of the group. My friends are a sorc and a ranger and I was wondering if being a gladiator or aethertech would be better.Greetings! I've been a member of this community since 2.0 and played on many other Aion servers in the past. I can say that I've gained enough experience in playing gladiator and I will use what I've learned so far and present you with this in-depth guide about the ins and outs of playing this class.Newbie Gladiator looking for help with build/rotation/how to pvp. Feb 10th 2017, 3:42am. Title says all. I am new to Aion lvl 68 near 69 gladiator. I want to get some tips and help from my brothers at arms. Any help/tips are welcomed. Like what manastones to use stigma builds etc.for PvE dungeons, which classes are preferred and for what role (E.G.: main tank / off-tank / add tank)? The main tank is the templar, however on some instances gladiators and aethertechs can do. But, the hardest dungeons are never tanked by glad/At, templar is the most tanker.A Tank is a player in a party that is intended to soak damage from mobs and prevent more vulnerable party members from being attacked. In theory, the tank should be the only one taking damage, and therefore be the only one who needs healing.A tank needs to be healed in order to ultimately survive a fight.
