Clan Jade Falcon is one of the original twenty Clans created by Nicholas Kerensky. It was named for the Jade Falcon, a genetically engineered mix of peregrine and gyrfalcon, which the Clan's founding Khan Elizabeth Hazen was the first to tame. A strictly traditionalist and ardent Crusader Clan, the Jade Falcons long viewed Clan Wolf as their most hated rival for their strength, ideological ...
A soldier specifically intended to be above and beyond a normal man; harder, better, faster, stronger, tougher, more skilled, more determined, built and trained to fight and win. The Super Soldier can come in many forms, ranging from government-raised human weapons, cybernetically, genetically...
It is difficult to be truly original when creating fiction, and even if one manages to pull it off, one runs the risk of putting off the audience by having one's creation seem too strange. Much safer, then, to make your setting contain human cultures that are take-offs of real ones. This is...
