Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. Be Empowered. This course outline transcends an entire semester of college coursework. If you complete the study guide, you will have learned enough programming to develop modern web applications, and with a bit of experience and a couple of completed projects, you will have become a sought-after programmer. This works out to an average 2.4 eclipses each year. Actually, the number of solar eclipses in a single year can range from 2 to 5. Nearly  $\frac{3}{4}$  of the time there are 2 eclipses in a year.
