

Download British Livestock Lorries

However, by the 1930s larger and stronger lorries were available and local livestock haulage became a viable proposition, eventually taking over from the railways entirely. Livestock road haulage was usually done with a basic platform lorry and a demountable livestock container. Unlike Amazon and other retailers who may also offer British Livestock Lorries books on their website, we specialize in large quantities and provide personal service, from trusted, experienced, friendly people in Portland, Oregon.
