

Download Child Custody Evaluation New Theoretical Applications And Research

Adam D. Alban, PhD, JD. Legal and Clinical Issues With Elders (2 hrs) This 2-hour course is designed to provide practitioners with an overview of some legal, ethical and clinical issues that are frequently encountered in work with older adults. Psychologist and attorney, Adam D. Alban, PhD, JD, first guides viewers through a segment on elder abuse.. Subtopics within this segment include ...Highlights We examine effect of participation in an integrated FDTC on child welfare outcomes. Propensity score matching of FDTC participants with comparison group. FDTC participation increased odds of reunification and decreased re-entry into care. FDTC participation also significantly increased time to permanency. High-achieving students majoring in the School of Social Ecology can earn Excellence in Research in Social Ecology by participating in a two-part program consisting of faculty-supervised research in the junior and senior years and courses in methodology and statistics. Objective: Emotional abuse and neglect is an under-recognized, but actually common, form of child abuse. Professionals in the field continue to find difficulty in recognizing and operationally defining it, and experience uncertainty about proving it legally.
