

Download Classification Manual For Voice Disorders

Classification Manual for Voice Disorders-I is a project of ASHA's Special Interest Division 3, Voice and Voice Disorders (DIV 3), originally directed by contributing authors Moya Andrews, Diane Bless, Daniel Boone, Janina Casper, Leslie Glaze, Mike Karnell, Christy Ludlow, and Joe Stemple. The text was edited over a period of several years by the authoritative group of voice disorders professionals, including Katherine Verdolini, Clark Rosen, and Ryan Branski. This classification manual is the first reference of its kind in the field of voice disorders, and the most comprehensive description of voice disorders ever produced — you'll wonder how you ever got along without it! ASHA offers these products as a convenience. Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.
