Secret sharing (also called secret splitting) refers to methods for distributing a secret amongst a group of participants, each of whom is allocated a share of the secret. The secret can be reconstructed only when a sufficient number, of possibly different types, of shares are combined together; individual shares are of no use on their own. "The Missing Diary of Admiral Richard E. Byrd" is a very short account of Byrd's journey into "a paradise inside the Earth" on February 19, 1947. It was published as a booklet by Global Communications in 1990. The beginning diary entry indicates Byrd wasn't even sure the public would ever see it. Need to learn how to graph points?
