I have a Dyson DC 50. My hand slipped and knocked off the bottom plate of the clear canister. It looks like there are two notches on the now disconnected plate which hook on to the bottom of the canister so it can be closed, but I'm having no luck reconnecting them. The Dyson Slim Ball Animal upright vacuum cleaner is engineered to remove dirt and microscopic dust on all floors, for tough tasks. The advanced self-adjusting cleaner head automatically adjusts between all floor types - sealing in suction for a powerful clean across your entire home.
