

Download Family Law And Personal Life

Family Law and Personal Life [John Eekelaar] on Amazon.com. *FREE* shipping on qualifying offers. Developments in the law, scholarship, and research since 2006 form a substantial part of the second edition of this book which sets the governance of personal relationships in the context of the exercise of social and personal power. Its central argument is that this power is counterbalanced by ...Family Law and Personal Life. Second Edition. John Eekelaar. Offers a fresh examination of the fundamental questions at the heart of family law - how should the state govern people's intimate relationships? Should it encourage a model of 'proper' family life in the interests of stability, or allow people to make their own decisions? How should our most intimate personal relationships be governed in a liberal society? Should the state encourage a particular model of family life, or support individuals in their pursuit of personal happiness? To what extent do people have the right to shape the lives of their offspring? This book ...Family Law and Personal Life is one of the most thought-provoking books on 'family law' published in years. Although there are parts of the book that are particularly relevant to British readers, Eekelaar grapples with universal problems of personal law, and draws examples from many different countries.
