The M-10iA Fanuc Robotics Series offers a high flexibility for applications up to 10 kg payloads. These Fanuc automation robotic tools offer high speeds for handling, pick & place and machine tending operations. Many customers purchasing a new FANUC robot are curious about what comes with the robot. There are basic changes among the different robot models in size of cables and controller, but our robot unboxing video of a M-10iA is a good representation of what comes with a new FANUC robot. The FANUC M-10iA/12 R-30iB is a small but mighty performance handling robot that can tackle up to 12kg. This robot comes with the advanced R-30iB controller and has a reach of 1420 mm. Like many robots in the FANUC line, the M10iA/12 is versatile, with a hollow arm design that allows integrated cabling. 2014 Fanuc Robot M-10iA/12. Hollow Wrist Speed Machine. Specifications (subject to buyer verification): The heaviest lifter in the range, this model is ideal for higher payloads. Improved protection for jobs involving confined . spaces or the risk of snagging is offered by its smart hollow wrist design. AXIS ROBOT 6. REACH 55.9" LOAD CAPACITY ... of FANUC Robotics America Corporation. FANUC Robotics America Corporation 3900 W. Hamlin Road Rochester Hills, MI 48309-3253 The descriptions and specifications contained in this manual were in effect at the time this manual was approved. FANUC Robotics America Corporation, hereinafter referred to as FANUC Robotics, M-10iA™ Series Basic Description The M-10iA is FANUC Robotics' latest-generation, six-axis, high performance industrial robot. This small but mighty robot only weighs 130 kg but provides 10 kg payload 301 Moved Permanently. nginx/1.12.2 Fanuc M-10iA/12 6-Axis CNC Robot Auction: 10/25/2018 Thank you for your interest, please note the following: THIS ITEM IS OFFERED FOR SALE BY "LIVE WEBCAST AUCTION" and is part of the "Late Model ... The FANUC M10 series is a six-axis, high performance industrial robot. This smaller robot only weighs 290 pounds but provides a 10 kg payload. What comes with a FANUC robot? This video will show what is included when you order the standard robot from FANUC.
