"Heavy Duty Equipment Technician" is this trade's official Red Seal occupational title approved by the Canadian Council of Directors of Apprenticeship. This analysis covers tasks performed by heavy duty equipment technicians whose occupational title has been identified by some provinces and territories of Canada under the following names: A heavy duty equipment mechanic who holds a valid trade certificate from Alberta or from another Canadian province or territory may apply to write the Interprovincial Exam and, if successful, be granted a Red Seal under the Interprovincial Standards Red Seal Program. The Red Seal is recognized throughout most of Canada. However, due to the workload in our shop and the broad range of issues with modern diesel vehicles, we cannot make our technicians available for telephone vehicle diagnosis. If you are in the Phoenix area and are having a problem with your vehicle, your best bet is to get your vehicle to our shop so we can properly diagnose the problem. Rates.
