What is an interactive notebook? •A place to record information •Enables the student to process ideas and make connections •Culmination of student work throughout

In this interactive teacher's guide, you'll see how you can collaborate in the classroom with the OneNote Class Notebook. At Netflix, we're reimagining what a Jupyter notebook can be, who can use it, and what they can do with it. And we're investing big to make this vision reality. Learn the basics of Microsoft OneNote, and then dive into specific scenarios for teachers, students, and school administrators with these interactive guides.
