

Download Kubota Bx2230d Owners Manual

Hey everyone, the snow is finally starting to melt so me and my father are starting to get everything out and ready for spring. I was looking in the owners manual for our 60 belly mower that goes onto our Kubota BX2370 and it says that the "gear box" on the mowing deck it self needs an oil change after the first 50 hours of operation and I was wondering if anybody here could post a video or ...Well, this answers my question on how long I can go-between oil changes in the gear box. I believe that the original oil shipped from the factory is SUDT2, wont be sure until I actually change mine and test for consistency.
