Section 3 Individuals can find information here about work opportunities available from the New York State Governor's Office of Storm Recovery. A Section 3 individual is a resident of public housing and/or a low or very-low income person who lives in the metropolitan area or non-metropolitan county where a HUD-assisted project for housing or community development is located. Green building (also known as green construction or sustainable building) refers to both a structure and the application of processes that are environmentally responsible and resource-efficient throughout a building's life-cycle: from planning to design, construction, operation, maintenance, renovation, and demolition. This requires close cooperation of the contractor, the architects, the ...DHCR Publications: 2016 NYS Entitlement Jurisdiction Analysis of Impediments to Fair Housing Choice; 2014 Annual Action Plan as Accepted by HUD; 2015 Annual Action Plan as Accepted by HUD Construction & Building Permits The Code Compliance Division can help you determine which permits are required for a project.
