the link where you can find all participating countries with links of particular country. MATH KANGAROO
COUNTRIES Note: If you know some more sample question papers which are available online and you want to
share with everyone then you can share in the comment section. I will update the list
regularly. Kangaroomath.com.my is tracked by us since February, 2014. Over the time it has been ranked as high
as 842 399 in the world, while most of its traffic comes from Malaysia, where it reached as high as 6 188
position. Mathematical Kangaroo (also known as International Mathematical Kangaroo, or Kangourou sans
frontières in French) is an international mathematical competition where over 50 countries are represented.
There are twelve levels of participation, ranging from grade 1 to grade 12. The competition is held annually on
the third Thursday of March.
