You may be asking this question because you want to know how pregnancy happens, but more than likely you are wanting to know how to conceive naturally.. You are probably looking for the quickest and easiest way to get pregnant without interventions. When you're expecting, it's natural to want as much information as possible. Choose what you'd like to calculate, and start mapping out your own pregnancy calendar. Can acupuncture be used to treat infertility? Acupuncture, frequently combined with herbal medicine, has been used for centuries to treat some but not all causes of infertility. For example, acupuncture and herbs will not work to address tubal adhesions which can occur as a result of pelvic inflammatory disease or endometriosis.. However, in this situation, an individual could still benefit ...
