Pharmacy Technician Flash Review is a handy, portable guide that will be valuable for candidates on the go. Learning the terms that are a part of every current and aspiring pharmacy technician's vocabulary is essential for preparing for the PTCE exam. Really great study guide in the form of flash cards on pages...but I just found myself flipping the page back and forth to remember what the definitions were talking about. Otherwise it got the job done! Pharmacy Technician Flash Review is a handy, portable guide that will be valuable for candidates on the go.
