The Royal PX1201 Shredder maximizes document-shredding efficiency. Not only does it function as a 12-sheet cross-cut paper shredder, but it also shreds CD, DVDs and credit cards. Its cross-cut designRoyal MC14MX Micro-cut Shredder offers all the power and reliability needed in today's environment. Designed for style, function and performance.Rated 5 out of 5 by BJ Duncan SC from Excellent product Very glad I purchased this micro shredder. Works great and is so quiet! I finally have confidence that my documents/junk-mail are totally shredded! This Royal shredder is so easy to use and to move with the wheels.The Royal ASF80 Micro-Cut Shredder is the next level in document security. What makes this unit really stand apart from other shredders is the auto-feed feature.
