

Download Serial Number Guide Caterpillar

I cannot find a serial number guide for Caterpillar. Any suggestions? I want to know what the year model is of a D6D serial # 4X2592. Your machine was built in 1955 according to the book 'Track Type Machines, 1925 to 1960'. In 1955 the serial numbers run from 14A 1 to 14A 2529, the first year of production for the 14As. Verified Auction Results. Top Bid's auction results are highly standardized and verified. Top Bid double checks all auction listings to ensure the model number, serial number, and year of manufacture agree. Note: This page is for Nissan forklifts only. To find a serial number for a forklift of a different brand, click here for our other guides. The quickest way to find your Nissan forklift's serial number is to check the lift's data tag, also called a nameplate. This useful identifier is the first place you should look for various information about your forklift—its lifting capacity, how ...
