View and Download Thermal Dynamics Econo-Pak 50 operating manual online. Thermal Dynamics Econo-Pak 50 Air Plasma Cutting Power Supply. Econo-Pak 50 Welding System pdf manual download. In electrical engineering, a switch is an electrical component that can "make" or "break" an electrical circuit, interrupting the current or diverting it from one conductor to another. The mechanism of a switch removes or restores the conducting path in a circuit when it is operated. It may be operated manually, for example, a light switch or a keyboard button, may be operated by a moving ...
