

Download Story Writing Using Sequenced Pictures For Kids

Comprehension is the understanding and interpretation of what is read. To be able to accurately understand written material, children need to be able to (1) decode what they read; (2) make connections between what they read and what they already know; and (3) think deeply about what they have read. Read Naturally Encore has two series, each with multiple levels and 24 stories per level. Both series have the same basic design with strategic differences. Sequenced series is the basic series and has 13 levels (1.0 – 8.0) with 24 stories per level.; Phonics series adds phonics lessons and activities to the basic design and has 6 levels (0.8 – 2.7) with 24 stories per level. Get young kids writing, creating, and learning with these hands-on activities sure to appeal to your second grader. These inspiring activities provide the perfect jumping off point to help budding writers learn and practice narrative, opinion, informational, and creative writing in the form of ...Big, full color pictures and simple events make these ideal for young learners! Includes: 30 stories containing 3 or 4 Story Cards each. Have students put the cards in order and retell the story, using the pictures.
