

# Download Study Guide For Hazwoper Awareness Training

National Environmental Trainers® provides compliance educational solutions to help companies and their employees stay safe on the job. After more than 20 years in the business, our Hazardous Waste Operations and Emergency Response (HAZWOPER) courses have become the industry's gold standard for interactive, effective training. NEW! HAZWOPER Mobile Training® - Learn More Our HAZWOPER training can now be accessed by all mobile devices including iPad®, tablets, smart phones i.e., iPhones® and Androids®. Our system is designed to give you seamless integration between desktop and mobile devices. You can login and logout between the two systems and your training will begin where it left off both in content and study time. Our comprehensive study guides cover important points from your 30-hour OSHA course, so that you can easily study for your final exam and have a valuable resource to refer to long after your course is complete. Description. This course is an introduction to the elements of an effective Emergency Action Plan (EAP) and Fire Prevention Plan (FPP). Employers are required to have these two safety plans to help ensure they are prepared in emergency situations.
