

Download Teaching With Student Texts

In this Book. In *Teaching with Student Texts*, authors discuss ways of revaluing student writing as intellectual work, of circulating student texts in the classroom and beyond, and of changing our classroom practices by bringing student writings to the table. Together, these essays articulate a variety of ways that student texts can take... "Teaching with Student Texts offers new perspectives, insights, and approaches to working with and thinking about student texts and representations of student writing. Equally important, it also opens new questions and opportunities for exploration about intersections and divergences among the ways that instructors work with student texts—in ...Teaching with Student Texts offers new perspectives, insights, and approaches to working with and thinking about student texts and representations of student writing. Equally important, it also opens new questions and opportunities for exploration about intersections and divergences among the ways that instructors work with student texts – in individual programs and across programs and ...Joseph Harris | University of Delaware.
