Epiphone Joe Pass Emperor II Pro, Vintage Sunburst - The Epiphone Joe Pass Emperor II Pro hollowbody guitar has a Select Spruce top, back and sides made from Laminated Flame Maple and a classic arch for optimum tone. ProBucker humbucking pickups with coil splitting allow for endless tone combinations and at low volumes or unplugged this guitar produces those classic horn-like, Joe Pass tones. I just got in 3 models of some of the best vintage style guitars I've seen for the money. They arrived with a very good setup, the fit and finish is excellent, and they are made with quality hardware and electronics including a Wilkinson vintage style tremolo with "pop-in" trem arm and Allen-screw tightness adjustment, Sperzel USA locking tuners, and TTM's own Palladium Series pickups.
