

Download The Big Switch Rewiring The World From Edison To Google Nicholas Carr

Nicholas Carr is an acclaimed writer on technology, economics, and culture whose books have been translated into more than twenty-five languages. Shoshana Zuboff's epic critique of Silicon Valley, *The Age of Surveillance Capitalism*, is out today, and so is my review, "Thieves of Experience: How Google and Facebook Corrupted Capitalism," in the *Los Angeles Review of Books*. It begins: We sometimes forget that, at the turn of the century, Silicon Valley was in a funk, economic and psychic. Nicholas G. Carr (born 1959) is an American writer who has published books and articles on technology, business, and culture. His book *The Shallows: What the Internet Is Doing to Our Brains* was a finalist for the 2011 Pulitzer Prize in General Nonfiction. SUPPORT LARB.
