

Download The Global Evolution Of Clinical Legal Education More Than A Method

Legal education, preparation for the practice of law. Instruction in law has been offered in universities since medieval times, but, since the advent of university-based law schools in the 18th and 19th centuries, legal education has faced the challenge of reconciling its aim of teaching law as one of the academic disciplines with its goal of preparing persons to become members of a profession. This course is designed to provide an overview on epidemiology and the Internet for medical and health related students around the world based on the concept of Global Health Network University and Hypertext Comic Books.
