A trademark search can help ensure your business or product name is available, and that you will not discover a conflict after you invest into advertising. You've worked hard to build a name for your business. Protect it. A registered trademark greatly expands the legal protections available to your brand. Most people complete our questionnaire in under 15 minutes. Before we submit your application, we do a basic trademark search and inform you of any ...How to choose and register a successful business name. A trademark (sometimes called simply a "mark") is any word, phrase, design, or symbol used to market a product or service. Technically, a mark used to market a service, rather than a product, is called a service mark, though the term "trademark" is commonly used for both types of marks because they refer to the same group of legal protections.
